## **STUDENTS SATISFACTORY SURVEY REPORT FOR THE ACADEMIC YEAR 2022-23**

The students are an integral part as well as a major stakeholder in any educational institution. Bangurnagar Arts, Science and Commerce College has always considered Students' satisfaction and their suggestions as seminal for the improvement of the institution. During 2022-23 we had a combination of two types of education system and they are National Education Policy (NEP) and Choice Based credit system (CBCS) Keeping this in mind a set of questions were asked from students studying in the college. The questionnaire was framed in way to understand their opinion about subjects like Academic Resources and Faculty involvement, Support system provided by the College, Infrastructure of the College, and Skills/Competence developed by them during their stay in college. More than 194 students have participated in the survey using online structured questionnaire.

194 responses

19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

194 responses

20. The overall quality of teaching-learning process in your institute is very good.

194 responses

## **Conclusion**

- During 2022-23 we had a combination of two types of education system and they are National Education Policy (NEP), Choice Based credit system (CBCS) and NON-CBCS. Majority of the Students were glad and expressed overall satisfaction regarding Completion of curriculum in their classes and laboratories.
- Students appreciated teaching and implementation of learning outcome-based curriculum which includes continuous evaluation and assessment of students throughout the semester.
- Students have acknowledged the teachers for encouragement to participate in the activities, attitude towards teaching and they have expressed satisfaction over the illustrations of teachers for explaining concepts through ICT tools.
- Teacher's preparation, communication, use of appropriate teaching pedagogy and fairness of internal evaluation has been rated high in the survey.
- Students have expressed overall quality of teaching-learning process in our institute was very good.

## **Recommendations from the Survey**

The SSS has also pointed out few areas where the college/ teachers/ departments do have scope for enhancement in quality of education. They are as follows:

- ❖ Enhance use of advanced ICT based teaching and equip laboratories with multiple copies of small instruments.
- ❖ Teachers should discuss with students about assignments
